By: Gowtham Potluri

Description

- Addressing a real time scenario.
- A Web Portal for students to submit their Milestone forms.
- Similar to the OGMS.
- Students and Graduate Director would have access to the portal.

- Addressing a real time scenario.
- A Web Portal for students to submit their Milestone forms.
- Similar to the OGMS.
- Students and Graduate Director would have access to the portal.

Existing procedure

- All graduating students would annually go and get a print of each form.
- Fill it and take it to the concerned approver.
- Wait until approved.
- Then submit to the office of Graduate Studies.

Why this Portal?

- Save paper?
- Submit from anywhere
- No need to struggle waiting outside the door
- Always have track of the forms
- Activity recorded.
- Importantly, everything is online these days.

Doctoral Dissertation and Master's Thesis Approval Form

Important– Do not submit this form until you have successfully completed your final project.

A non-thesis option is available in some departments. In lieu of the thesis, research competence must be demonstrated on the basis of a research paper or a creative project. A committee of at least three members of the faculty, of which the student's adviser will serve as chair, will pass on the acceptability of the paper or project. Two-thirds of the committee must indicate approval. Please consult your departmental handbook regarding specific requirements for the non-thesis project.
